

AI Section Hub

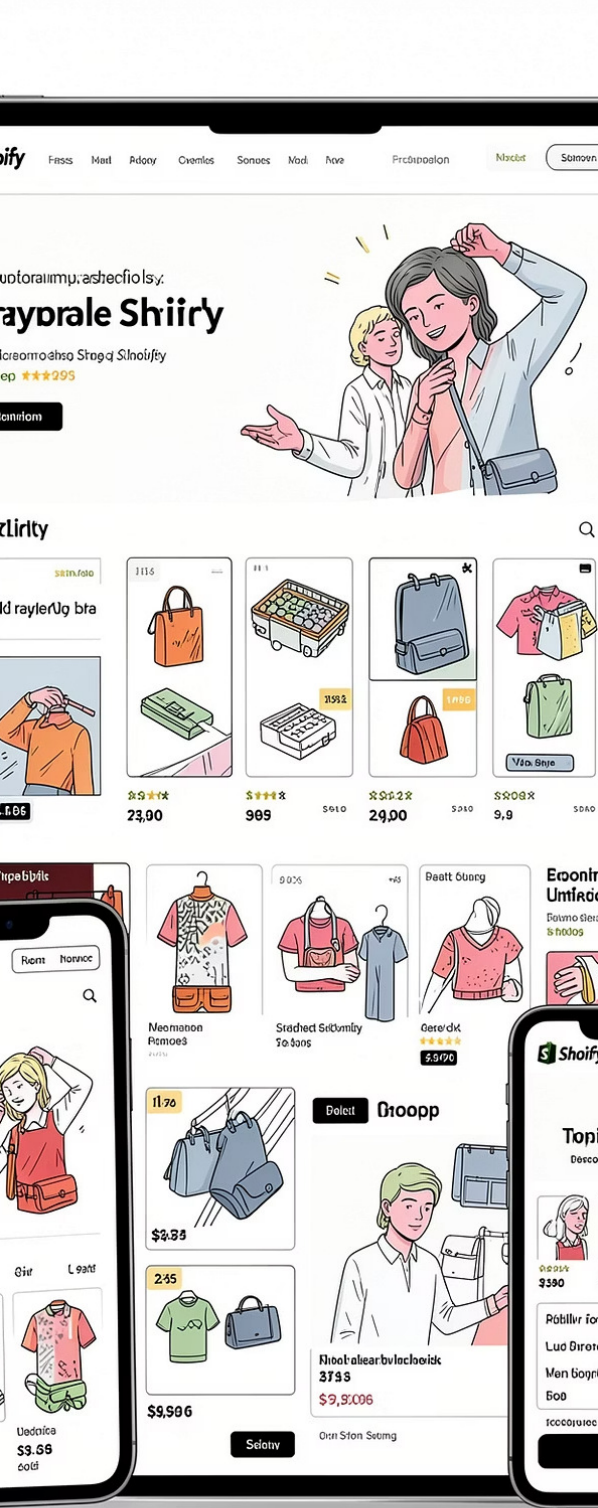

The ultimate Shopify theme section builder and AI growth suite. Install premium sections, generate AI-powered layouts, manage Instagram Reels, create product bundles, and grow your store — all from one powerful app.

SHOPIFY APP

NO CODING REQUIRED

AI-POWERED

Made with **GAMMA**

What Is AI Section Hub?

A feature-rich Shopify embedded app that helps modern merchants build high-converting storefronts — without writing a single line of code.

25+ Theme Sections

Professionally designed Liquid sections installable in one click on any Shopify 2.0 theme

13 AI Tools

Powered by Google Gemini and Groq AI for copy, SEO, audits, and code generation

Instagram Reels

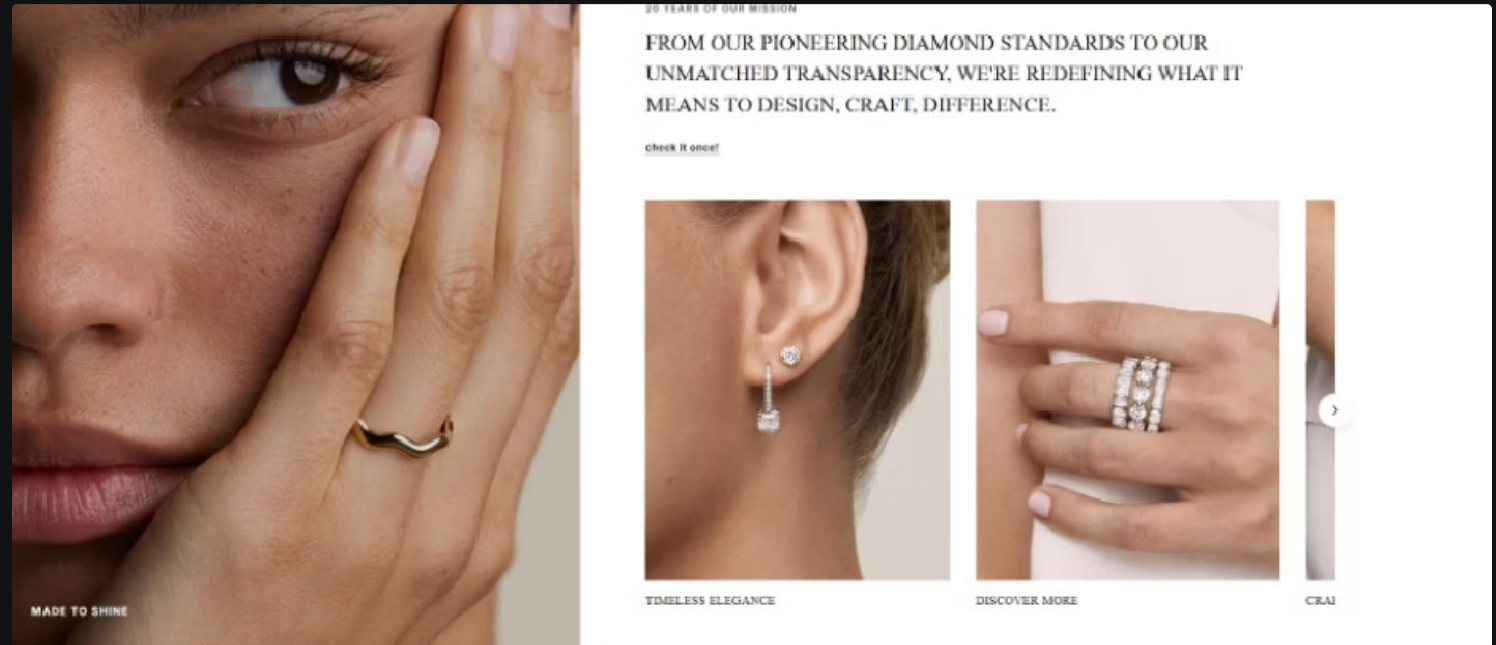

Scrape and display up to 400 public reels beautifully on your store

Bundle & Rewards

Product discount bundles, community voting, and monthly free sections

Section Library

A curated catalog of **25+ professionally designed Shopify Liquid sections** — install in one click, customize in the Theme Editor, and deploy on any page type. Fully responsive, zero performance impact.

Free Sections

Hero Banner, FAQ Accordion, Newsletter Signup, Trust Badges, and more

Growth Sections

Collection Arch Slider, Instagram Reels Feed, Shoppable Reels

Premium Sections

Dynamic Hero Slider, Before & After Slider, Luxury Story Parallax

AI Studio

13 intelligent tools powered by Google Gemini 2.5 Flash and Groq AI — covering every angle of store growth, from copywriting to code generation.

Brand Scanner

Analyzes your live store and generates a complete Brand Identity Profile

Vision AI

Upload a screenshot or mockup, AI generates matching Shopify Liquid code

Store Audit

Comprehensive SEO + UX + Conversion audit with actionable recommendations

Section Builder

Type a description, get production-ready Liquid code — inject directly to your theme

Copy AI

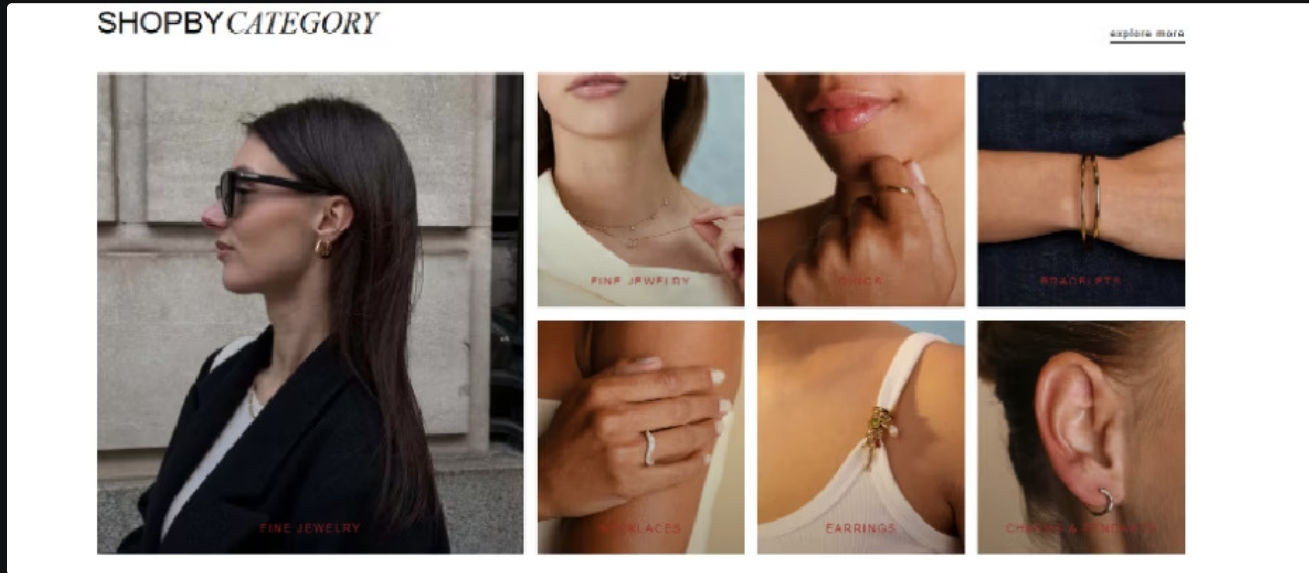

Generate product descriptions, ad copy, email subject lines, and social captions

SEO Meta Tags

Optimized title tags, meta descriptions, Open Graph, and Twitter Card tags

Instagram Reels Feed Manager

Connect your public Instagram profile and display your video reels beautifully on your Shopify store — **no Instagram API approval required.**

GROWTH+ PLAN

→ Up to 400 Reels

Stored securely as Shopify metafields with auto-sync

→ Multi-Layer Scraping

Fallback strategy using Clips API, GraphQL, and HTML parsing

→ Select & Display

Choose which reels appear, add by URL, auto-refresh feed

Bundle & Save + Conversion Blocks

Bundle & Save

Create product discount bundles that appear directly on your product pages — boosting AOV without theme code changes.

- Percentage or fixed-amount discount tiers
- Multi-product bundle configurations
- Real-time product search via Shopify GraphQL
- Toggle bundles active/inactive instantly

Conversion Blocks

High-performance product page buy-boxes — styled, animated, and ready to inject in seconds.

- Star ratings, quantity break pricing, delivery estimates
- 5 styles: Modern, Bold, Luxury, Minimal, Playful
- Guarantee badges and add-to-cart button included
- Fully editable in Shopify Theme Editor

Grow & Rewards

A community engagement hub that rewards active users with free value, voting power, and visibility.

Free Monthly Section

One premium section released free each month — claim it and keep it forever

Community Roadmap

Vote on upcoming section ideas. Top-voted features get built first

Store Showcase

Submit your store to the public gallery — get visibility to thousands of merchants

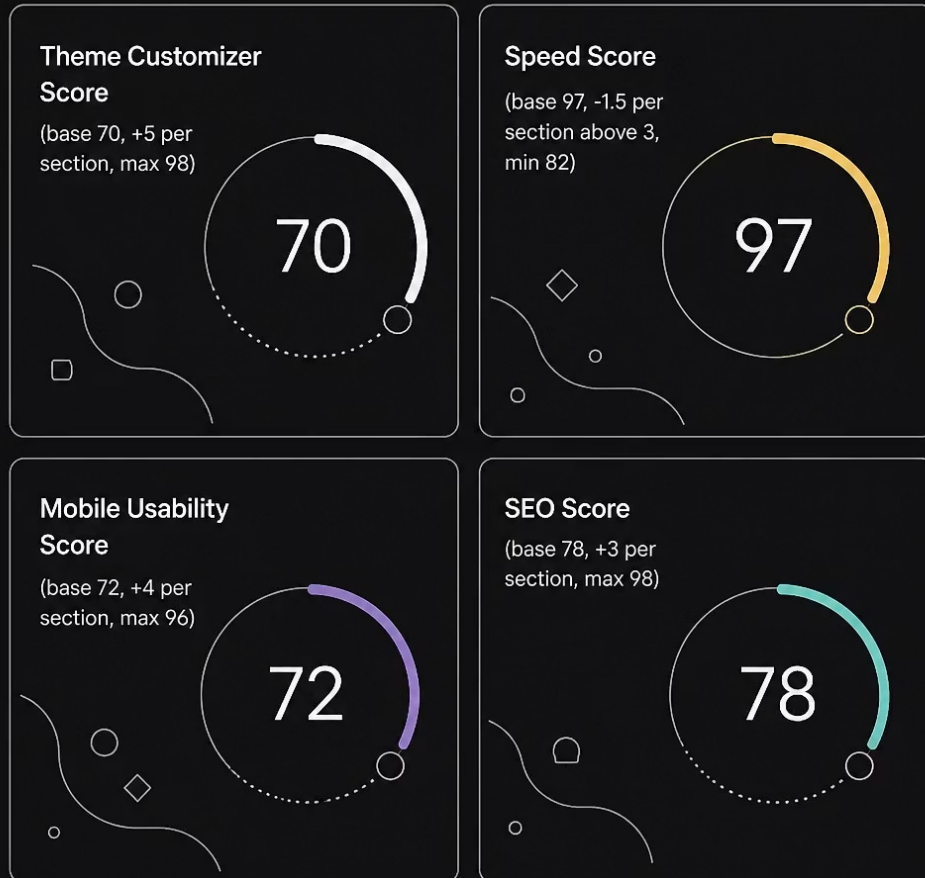

Custom Requests

Submit a custom section or full store build request — our team responds with a quote

Dashboard & Store Analytics

Store Score Calculator

A dynamic scoring system tracks 4 key metrics based on your installed sections — giving you a clear picture of your store's optimization health at a glance.

31-Day Revenue Chart

Dynamic SVG line chart seeded from your store data

AI Optimization Tips

Personalized recommendations based on missing section types

App Stats

Sections installed, bookmarks, active bundles, and plan status

Pricing Plans

Four flexible plans — from completely free to all-inclusive. Cancel anytime, no contracts.
